

# Man Against The World

## Survivor

Have you ever walked alone at night  
Like a man against the world?  
No one takes your side  
A boat against the tide  
When your faith is shaken, you start to break  
And your heart can't find the words  
Tossed upon the sand  
I give you a man against the world  
All the people cheer 'til the end is near  
And the hero takes a fall  
Then they'll drag you through the mud  
You're only flesh and blood  
Now I have walked the path from dark to light  
And they've yet to come to terms  
Alone I take my stand  
I'm only a man against the world  
But love like a distant reminder  
It tugs at my shoulder, it calls me home  
I shout, "Can a single voice carry  
Will I find sanctuary within your arms?"  
Someday when the answer's clearer  
Someday when I even the score  
You'll reach and you'll find me near you  
Right beside you, forevermore  
But for now I'll walk the night alone  
Like a man against the world  
A brand new day will shine  
Through the avalanche of time  
Now the road's grown long but the spirit's strong  
And the fire within still burns  
Alone I take my stand  
I give you a man against the world
