Yo.. (uh-huh).. this is more than a presence (yes!)
For superstar, 501
Yeah... (yo)... I can hear from you
Guess who's back... come on!
Remember me? (uh-huh)
This is a new classic...
Set me freeNon ajig oriji sesangur moruji
Niga mwor argenyago
(just feel a light, just get all right)
Nur gathun sengag phun darunge obsoji
Orunduriran gure
(can't you see my mind, you're all my soul)Ne modungor da horoghe~
(gureya manjog surobge)
Marhaji chaghan ain modun gure take it my boy
Ijen guman jamgin munur yoro yagesso jamdun jayur chagesso
(oh oh) my story just begin
(now start to fight the game for you)We'll unlock the door forever nega wonhan gir wien no angel
Nar gidarirgoni angel
We'll open the door of future (yeah yeah yeah) nega teghan sarmedo no giselle
Nar sarang hargoni giselle (nar sarang hargoni giselle)Nuga mworedo my love ne yojarangor mido
Nohji anhgesso my girl (ee hee)
Ne aphur magun the wall oton gusogdo puro
Thwio nomgesso the world (ye~)
(can't you see my mind, you're all my soul)Nugunga jonghejun girun
(gureya manjog surobge)
Hajiman sesange girdur yojirthe lost it, my soul
Ijen guman jamgin munur yoro yagesso jamdun jayur chagesso
(oh oh) my story is just begin..
(now start to fight the game for you)We'll unlock the door forever nega wonhan gir wien no angel
Nar gidarirgoni angel (nega wonhan gir wien no angel)
We'll open the door of the future nega teghan sarmedo no giselle
(ne angel) nar sarang hargoni giselle (yeah~)Yo, come on!Narur bwa yogi nar (don't you see a man?)
Ijen kod niga ardon nega anya jigum buthon (listen to me, my heart go on)
Negero ganun gire dadhin munur yoro gagesso
(you gonna be my girl, you will never cry..)
You never cry.. (never make you cry..)(yeah~~~)We'll unlock the door forever nega wonhan gir wien no angel
Nar gidarirgoni angel
We'll open the door of the future nega teghan sarmedo no giselle
Nar sarang hargoni giselleWe'll unlock the door forever nega wonhan gir wien no angel

Nar gidarirgoni angel (my angel, my giselle)You are my angel (angel), open your arms to me (to me)
I'll make your everything all right (yeah yeah, yeah yeah)
You are my giselle (giselle), come on to my side (yeah ee yeah~)
Take keys and my kiss for you now
