

Gunnin'

Hedley

Tell me what I'll never be
Make me feel broken
And tell me what I should believe
I didn't know it was broken And I'm gunnin' for you,
I'm gunnin' for you.
And I will wait,
I'll write another letter to myself
And I will find out,
That morning comes faster alone. I hate the way you look at me,
As if I was broken
And the perfection of my frailty
Has been questioned and broken And I'm gunnin' for you,
I'm gunnin' for you.
And I will wait,
I'll write another letter to myself
And I will find out,
That morning comes faster alone. And I feel like I'm fine today
I feel like I'm ready take this on
And I'll fight you to the grave for it
I'll never let you take a part of me with you And I will wait,
I'll write another letter to myself
And I will find out,
That morning comes faster alone. And I will wait,
I'll write another letter to myself
And I will find out,
That morning comes faster alone. The perfection of my frailty
Has been questioned and broken.
