

# Main Street

## Main Street Saints

I can't sleep, I can't close my eyes  
Blinked one second, the whole world pass you by  
Yeah, I guess I'm in  
All the days you spent  
I can't eat, I can't use my mouth  
Miss one day and the whole world cast you out  
Yeah I guess I try  
All the times a lie  
Of goodbye times, you ain't on my side  
Satisfaction, too much of mine  
Song goes here, never let me down  
Oh the main street seems so lonely now  
I can't hear, I can't use my ears  
Miss one speech and you're uninformed to tears  
Yeah I guess I'm scared

Every time I care  
I can't breathe, I can't use my nose  
Miss one man from the start I'm bag ? alone  
Yeah I guess I'm wrong  
I can't sing a song  
Of goodbye times, you ain't on my side  
Satisfaction, I go way too much of mine  
Song goes here, never let me down  
But the main street seems so lonely now  
I can't write, I can't bleed my soul  
Loose one friend and you whole might find its whole  
Yeah I guess you're strong  
But I won't let it show  
Speak to me again,  
And I have never have felt it, before.
