Forever After

Paradise Lost

It's orchestrated by another hand
Believe inferior dreams that I am
Orchestrated I don't understand
Belief increasing in me that I amIf only we could see and live the dream
If only we could still believe the dreamForever after
Forever after maybe (sing)
Forever AfterWithout frustration
With no master plan
With nothing left of the dream that beganIf only we could see and live the dream
If only we could still believe the dreamForever after
Forever after maybe (sing)
Forever After
Forever after
Forever after maybe (sing)
Forever AfterIf only we could see and live the dream
If only we could still believe the dream
