Set This World On Fire

Rage

Hey, you know me
I can skip the beat in your heart
Oh, oh, oh oh
I know, you told me
Don't come around or else we'll get caught
Oh oh eh oh.
Your mumma she don't like me
Your brother wanna fight me
But you know you just wanna have fun
I'm not tryna hurt you
Forget about your curfew
We're gonna set this world on fire
We're stepping up tonight, ain't got nothing to lose
We're gonna set this world on fire
You know we keep on jumping when we break all the rules
We're gonna set this world on fire
Woah oh woah oh oh oh
Woah oh woah oh oh oh
Woah oh woah oh oh oh
We're gonna set this world on fire
Woah oh woah oh oh oh
Woah oh woah oh oh oh
Woah oh woah oh oh oh
We're gonna set this world on fire
Hey, you know me
I can be the one that you call.
Oh oh oh oh
Cause by now, you know me
I'll be right there whenever you want
Oh oh weh oh
I know we gotta play low
Sneaking out your window
But you know you just wanna have fun
We're gonna party all night

Til we see the daylight
We're gonna set this world on fire
We're stepping up tonight, ain't got nothing to lose
We're gonna set this world on fire

You know we keep on jumping when we break all the roofs
We're gonna set this world on fire
Woah oh woah oh oh oh
Woah oh woah oh oh oh
Woah oh woah oh oh oh
We're gonna set this world on fire
Woah oh woah oh oh oh
Woah oh woah oh oh oh
Woah oh woah oh oh oh
We're gonna set this world on fire
If you're gonna set this place on fire
Let me hear you say
Oh oh oh oh
Oh oh oh oh
If you wanna set this place on fire
Let me hear you say
Oh oh oh oh
We're gonna set this world on fire
We're stepping up tonight, ain't got nothing to lose
We're gonna set this world on fire
You know we keep on jumping when we break all the roofs
We're gonna set this world on fire
Woah oh woah oh oh oh
Woah oh woah oh oh oh
Woah oh woah oh oh oh
We're gonna set this world on fire
Woah oh woah oh oh oh
Woah oh woah oh oh oh
Woah oh woah oh oh oh
We're gonna set this world on fire
