

Don't Forget Me (Live At Slane Castle)

Red Hot Chili Peppers

I'm an ocean in your bedroom
Make you feel warm
Make you want to re-assume
Now we know it all for sure I'm a dance hall dirty break beat
Make the snow fall
Up from underneath your feet
Not alone, I'll be there
Tell me when you want to go I'm a meth lab first rehab
Take it all off
And step inside the running cab
There's a love that knows the way I'm the rainbow in your jail cell
All the memories of
Everything you've ever smelled
Not alone, I'll be there
Tell me when you want to go Sideways falling
More will be revealed my friend
Don't forget me
I can't hide it
Come again get me excited I'm an inbred and a pothead
Two legs that you spread
Inside the tool shed
Now we know it all for sure I could show you
To the free field
Overcome and more
Will always be revealed
Not alone, I'll be there
Tell me when you want to go Sideways falling
More will be revealed my friend
Don't forget me
I can't hide it
Come again get me excited I'm the bloodstain
On your shirt sleeve
Coming down and more are coming to believe
Now we know it all for sure Make the hair stand
Up on your arm
Teach you how to dance
Inside the funny farm
Not alone, I'll be there
Tell me when you want to go I'll be there to tell me when you want to go

Come on baby tell me when you want to go
More will be revealed my friend
