Kindred the Family Soul

Hey - Kindred
Baby I hear the beat
The beat of your heart girl
It speaks
To me so you know I got to bring it on on ON
Gotta work gotta move gotta eat
Gotta stay fresh for ya indeed
Your love so strong girl I bring it on on ON
1st thing's first girl you belong
You're the reason for this song
You know I got to bring it on ah ON---ooh on on
You bring me in from out the cold
You be putting me in my mode
You know I got to bring it on ah AH ON ONNN

[CHORUS]

Hey Hey Hey I'll be there HMMM MMM MMM MMM
Hey hey hey where the heart is WHERE IT IS BABY

Thought about this and that on tour
For what I can't remember no more

Touching kissing laughing
Constant bags we packing
But we both know I'm staying home Yeah yes
See when you're in it for a long time
Everything run cross your mind
Still I can't leave you alone on ON
So while I'm out here on my grind
Somehwere down the line
You know I'm gonna bring it home HOME
