

# Close to Modern

## French Kicks

You make a pretty fine memory, ohh  
Once you find out next to me, ohh  
Just in time now wait and see, ohh  
If they're cryin' out for you or me You wanna live right over the time  
Gimme everything I know, oh everything I know  
You wanna live right over the time  
Gimme everything I know, oh everything I know Close to modern, close to modern  
Ooh you watch you're so pretty  
And you never stop givin'  
Till we get lost every time My baby don't ever stop hangin' on me  
What I think of you, oh we get lost every time  
Woo hoo hoo ahh  
Woo hoo hoo ahh  
Woo hoo hoo ahh  
Woo hoo hoo ahh
