

Nowhere left to run (Danny Jones remix)

McFly

I've got nowhere left to run
I've got nowhere left to hide
If you leave me
If you leave me
I would die
I've got nowhere left to run
I've got nowhere left to hide
If you leave me
If you leave me
I would die Without you I'm not a survivor
Without you
Without you I'm not a survivor
Without you
Without you I'm not a survivor
I can't live
Without you I'm not a survivor 'Cause I need you
Yes I need you
To save me
To save me I've got no more love to give
I've got no more tears to cry
If you leave me
If you leave me
I would die 'Cause I need you
Yes I need you
To save me
To save me 'Cause I need you
Yes I need you
To save me
To save me I've got nowhere to run, run
Nowhere to run, run Ooh... 'Cause I need you
Yes I need you
To save me
To save me I've got nowhere left to run
I've got nowhere left to hide
If you leave me
If you leave me
I would die I've got nowhere
I've got nowhere
If you leave me

If you leave me
I would die Without you I'm not a survivor
