

Lift Me Up

Alabama

I've been running in circles
I shouldn't have been running in
Sliding down that hill into the depths of sin
I keep falling
Down here at the bottom
It's a lonely place to know
I sure need your help right now
I'm as low as I can go. Lift me and you'll see
I'll come around to what I should be
Touch my heart
Rid my soul
Of these demons that I can't control
Reach down your hand from above
Lift me up
I've been praying
Wondering if I'm getting through to you
Send your hands
I've done all I can do
That's the truth
Lord, I make this promise
Down here on my knees
I'll never get this way again
Just get me back up on my feet. chorus I don't know where I'm going
I can't change where I've been
So I need you to help me
To never go back again chorus
Reach down your hand from above
Give me strength 'cause I don'
t have enough
All I need is your sweet love
Lift me up
Lift me up
