

# Better Days

Rufus

Its not the way you smile that makes me realize  
I think, I love you  
It just might be that all my life I've been searchin  
For someone just like youTakin my time, everythings fine  
I call you by phone, nobodys homeWe've got better days  
Therell be better days  
We've got better days, yeahI dont know why but I wanna cry  
Every time you touch me  
I've given up, just cant help it  
In your arms is where Id rather beI just cant hide it, so I've decided to give, yeah  
Stored away, I've got the strength to live, yeahTherell be better days  
We've got better days  
Therell be better days, yeahBetter days  
Better days  
Better days  
Better days
