Serenity

The Temperance Movement

I heard that lonesome siren song
I drew into the harem, and I found my home
And she called me 'butterfly' cause she knew that I wouldn't live too longInto her eyes I fell so deep
She'd cover me when the tempers were rising in my sleep
Wrapped in sweet serenity
She laid me down in rainbow dreamsLord, may all my hard times be healing times
Take out this broken heart, renew my mind
Tears wash my eyes to see how to love again
Yes, it's always been this way
I see her there so lost at sea
I could hear the outside world, it could not hear me
And as my last salute to thee
I heard that song that set me free yeahLord, may all my hard times be healing times
Take out this broken heart, renew my mind
Tears wash my eyes to see how to love again
Yes, it's always been this way
My all my hard times, be healing times
Take out this broken heart, renew my mind
Tears wash my eyes to see how to love again
Yes, it's always been this wayHard times, bleeding
Lord
