## Our Last Night

Am I meant to be something?  
Is this all I'm supposed to see?  
These questions need answers. Is my life already scripted?  
Fighting still cannot change the words.  
These questions need answers. Are we alone? Are we in control?  
Can we choose to play a different role?  
Can we change the grave that was dug for us,  
Or is this the only path to take? Are we meant to fall in love?  
Are we supposed to find the one?  
These questions need answers. Are there choices around me,  
Or am I stuck on a one-way road?  
These questions need answers. Are we alone? Are we in control?  
Can we choose to play a different role?  
Can we change the grave that was dug for us,  
Or is this the only path to take? Can we change the grave,  
The grave that was dug for us?  
Or is there another path to take? Are we alone? Are we in control?  
Can we choose to play a different role?  
Can we change the grave that was dug for us,  
Or is this the only path to take? Can we change the grave,  
The grave that was dug for us?  
Or is there another path to take?
