

Baby don't lie (Chris Costta Remix)

Gwen Stefani

We've been walking down this road some time
And you love, and you love me good, no lie
But there's something behind those eyes, those eyes
That you can't, that you can't disguise, disguise Baby don't, baby don't
Baby don't lie
I don't wanna cry no longer
Baby don't, baby don't
Baby don't lie
I'mma need a love that's stronger
I tell you know, I tell you know
I tell you know, why
Know, why
If you ever give up, then we're gonna die
Now we're in the out, baby don't lie Baby don't lie We've been walking down this road some time
And you love, and you love me good, no lie
But there's something behind those eyes, those eyes
That you can't, that you can't disguise, disguise Baby tell me there's nothing but love
Baby tell me there's nothing but love Baby don't, baby don't
Baby don't lie
I don't wanna cry no longer
Baby don't, baby don't
Baby don't lie
I'mma need a love that's stronger
I tell you know, I tell you know
I tell you know, why
Know, why
If we ever give up, then we're gonna die
Look me in the eye, baby don't lie Baby don't lie What you hiding boy?
What you hiding boy?
I can tell what you've been hiding boy
And you can tell me if I'm getting warm
Am I getting warm?
Am I getting warm?
Am I getting warm?
And you can tell me if I'm getting warm Baby don't, baby don't
Baby don't lie
I don't wanna cry no longer
Baby don't, baby don't
Baby don't lie

I'mma need a love that's stronger
I tell you know, I tell you know
I tell you know, why
Know, why
If we ever give up, then we're gonna die
Look me in the eye, baby don't lieBaby don't lie
Yeah yeah yeah
Baby don't lie
