

Sweet Emotion (With Kid Rock) [Live]

Aerosmith

Sweet emotion
Sweet emotionSweet emotion
Sweet emotionYou talk about things that nobody cares
You're wearing out things that nobody wears
You're calling my name but I gotta make clear
I can't say baby where I'll be in a yearWhen some sweet hog mama with a face like a gent
Said my get up and go must've got up and went
Well I got good news, she's a real good liar
'Cause the backstage boogie sets your pants on fireSweet emotion
Sweet emotionWhen I pulled into town in a police car
Your daddy said I took it just a little too far
You're telling me things but your girlfriend lied
You can't catch me 'cause the rabbit done died
Yes it didYou stand in the front just a shakin' your ass
I'll take you backstage, you can drink from my glass
We're talking about something I can sure understand
'Cause a month on the road an' I'll be eating from your hand
