

# Violent World

## 45 Grave

Terrorist kills a man  
They cut out his throat  
Violent world  
Saw it on the TV screen  
Car crash is suicide  
Was hoping for a genocide  
Terrorism, homicide  
Saw him on the TV screen  
He was just a bloody  
It's a violent world  
Saw it on the TV screen  
Car crash is suicide  
Was hoping for a genocide  
Terrorism, homicide  
Car crash is suicide  
Was hoping for a genocide  
Terrorism, homicide  
Saw him on the TV screen  
Let his throat open wide  
Violent world  
Saw it on the TV screen  
Car crash is suicide  
Was hoping for a genocide  
Terrorism, homicide  
Car crash is suicide  
Was hoping for a genocide  
Terrorism, homicide
