

Scream

Tokio Hotel

You get up and somebody tells you where to go to
When you get there everybody's telling you what to do
Thank you, it's been another bloody Monday
And no one is asking what you wanted anywayScream, 'til you feel it
Scream, 'til you believe it
Scream, and when it hurts you
Scream it out loudScream, 'til you feel it
Scream, 'til you believe it
Scream, and when it hurts you
Scream it out loudWatch out, stay awake, they're lurkin'
Obsess you, they are always workin'
Promisin', everything you never asked for
And one day it'll be too late and you beg for moreScream, 'til you feel it
Scream, 'til you believe it
Scream, and when it hurts you
Scream it out loudScream, 'til you feel it
Scream, 'til you believe it
Scream, and when it hurts you
Scream it out loudBack to zero, your time's about to come
Let them know you're not just anyone
Your time's about to comeScream, 'til you feel it
Scream, 'til you believe it
Scream, and when it hurts you
Scream it out loudScream, 'til you feel it
Scream, 'til you believe it
Scream, and when it hurts you
Scream it out loudShut up
No, can't you feel it
No, don't you believe it
No, and when it hurts you
Scream it out loudNo, no, no, no, no, no
Scream it out loud, scream
