

Satisfy (Koncept Remix)

Nero

I can feel it tonight, I know I'll catch your eye
Touching you feels so right, let me come inside
Just come with me tonight, take me for a ride
Touching you feels so right, let me, let me satisfy
Let me satisfy
Let me, let me satisfy
Let meLet me satisfyI can feel it tonight, I know I'll catch your eye
Touching you feels so right, let me come inside
Just come with me tonight, take me for a ride
Touching you feels so right, let me, let me satisfy
Let me satisfy
Let me, let me satisfy
Let meLet me, let me satisfy!
Satisfy!
Let me, let me satisfy!
