

Myanmar

Fly Eye

Greater than others nations.
Have own culture and history
Come to us and you can see
Then you'll gonna believe

Say that you love (Myanmar, Myanmar)
Believe that we love (Myanmar, Myanmar)
So warm and honest
So clean and greenest
I'm proud to say that I'm Myanmar . . .

Brave and Courage is the thing we have.
No word Lose, retreat and Give up
We have forgiveness and we can take back
That's how we stand

Say that you love (Myanmar, Myanmar)
Believe that we love (Myanmar, Myanmar)
So warm and honest
So clean and greenest
I'm proud to say that I'm Myanmar . . .

Oh! its golden
But stolen at once upon a time
But now we stand

It's greatest
It's honest
I'm so proud to be

Say that you love (Myanmar, Myanmar)
Believe that we love (Myanmar, Myanmar)
So warm and honest
So clean and greenest
I'm proud to say that I'm Myanmar . . .
