

How Can I Go On

Freddie Mercury & Montserrat Caballé©

When all the salt is taken from the sea
I stand dethroned, I'm naked and I bleed
But when your finger points so savagely
Is anybody there to believe in me
To hear my plea and take care of me? How can I go on from day to day?
Who can make me strong in every way?
Where can I be safe, where can I belong
In this great big world of sadness? How can I forget
Those beautiful dreams that we shared?
They're lost and they're nowhere to be found
How can I go on? Sometimes I seem to tremble in the dark
I cannot see when people frighten me
I go, hide myself so far from the crowd
Is anybody there to comfort me?
Lord, take care of me How can I go on from day to day?
Who can make me strong in every way?
Where can I be safe, where can I belong
In this great big world of sadness? How can I forget
Those beautiful dreams that we shared?
They're lost and they're nowhere to be found
How can I go on? How can I go on?
How can I go on?
Go on, go on, go on
