4 Ur Ears

Timo Maas

Yeah, taste it, taste it, ooh ah

A make your body move, your cooch from the inside
You think you choosin' but the shake's from your back-side
The bass stroke take the beat is a mile long
Dip for me, let me see you get your step fire, that's fire, yeah ooh

I'm orgasmic for, for your ears
Let them time you're tears the music plays
I'm orgasmic for, for your ears
Let them time you're tears the music plays, yeah

Let's start the show now
Most like the show that is "Come beat the cold crowd"

A make your body move, your cooch from the inside
You think you choosin' but the shake's from your back-side
The bass stroke take the beat is a mile long
Dip for me, let me see you get your step fire, that's fire, yeah ooh

I'm orgasmic for, for your ears
Let them time you're tears the music plays
I'm orgasmic, for your ears
Let them time you're tears the music plays, yeah, drop it

A make your body move, your cooch from the inside
You think you choosin' but the shake's from your back-side
The bass stroke take the beat is a mile long
Dip for me, let me see you get your step fire, that's fire, yeah ooh

Let's start the show, yes, most like the show now
Come, beat the cold crowd in school like me, yeah
Come, start the show, yes, most like the show now
Come, beat the cold crowd in school like me, yeah

A make your body move, your cooch from the inside
You think you choosin' but the shake's from your back-side
The bass stroke take the beat is a mile long
Dip for me, let me see you get your step fire, that's fire, yeah ooh

I'm orgasmic for, for your ears
Let them time you're tears the music plays
I'm orgasmic for, for your ears
Let them time you're tears the music plays, yeah

So let me in you're home
I wanna be alone, I wanna play
Yes, our hearts are bright and dumb
I'll make you body foam, well, let's go play

Let me, taste it, ooh

Let's start the show, yes, most like the show now
Come beat the cold crowd in school like me, yeah
Let's start the show, yes, most like the show now
Come beat the cold crowd in school like me, yeah

Make your body move the cooch from the inside
You think you choosin' but the shake's from your back-side
The bass stroke take the beat is a mile long
Dip for me, let me see you get your step fire, that's fire

So let me in you're home
I wanna be alone, I wanna play
Yes, our hearts are bright and dumb
I'll make you body foam, well, let's go play

I'm orgasmic for, for your ears
Let them time you're tears the music plays
I'm orgasmic for, for your ears
Let them time you're tears the music plays, yeah

I'm orgasmic for, for your ears
Let them time you're tears the music plays
I'm orgasmic for, for your ears
Let them time you're tears the music plays, yeah

You'll just stay with me, on us, yeah
Oh, take it, I'll keep goin' for you, it's true
