

# I Will Wait No More

[Stu Larsen](#)

I've been waiting for my darling  
Oh I've been waiting for my girl  
And I've been waiting for the morning  
I know I will wait no more  
Oh I've been waiting for my savior  
And I've been waiting for my lord  
And I've been waiting for this morning  
And now I will wait no more  
Oh I've been waiting for my savior  
And I've been waiting for my lord  
And I've been waiting for this morning  
Oh but now I will, I will wait no more  
And I've been waiting for my darling  
Oh I've been waiting for my girl  
And I've been waiting for this morning  
Oh but now, I will wait no more  
Oh but now, I will wait no more  
Oh but now, I will wait no more
