

# Vaseline

## Stone Temple Pilots

One time a thing occurred to me  
What's real and what's for sale?  
Blew a kiss and tried to take it home Isn't you, isn't me  
Search for things that you can't see  
Goin' blind, out of reach  
Somewhere in the vasoline Two times and it has rendered me  
Punched, drunk and without bail  
Think I'd be safer all alone Flies in the vasoline, we are  
Sometimes it blows my mind  
Keep gettin' stuck here all the time Isn't you, isn't me  
Search for things that you can't see  
Goin' blind, out of reach  
Somewhere in the vasoline You'll see the look and you'll see the lies  
You'll eat the lies and you will Flies in the vasoline, we are  
Sometimes it blows my mind  
Keep gettin' stuck here all the time Isn't you, isn't me  
Search for things that you can't see  
Goin' blind, out of reach  
Somewhere in the vasoline
