

Fake Future

Allen Stone

Tie me to a cinder block and throw me to the sea
Music's got more roll than rock, 'cause everyone's poppin' E
Everybody's hypnotized, nobody is free
The river that we're drinking from is singularity Chuck your laptops
Chuck your lights
Chuck your cash crop
Chuck your tights
Chuck your glitter
You glittery shites
Chuck your laptops
Chuck your lights Rock stars pushing buttons, few actually play
City bullet ever built, don't like his Special K
Mirror, mirror, on the wall
Where is the coolest thing?
Build a wall-less prison we're unable to detect Chuck your laptops
Chuck your lights
Chuck your cash crop
Chuck your tights
Chuck your glitter
You glittery shites
Chuck your laptops
Chuck your lights Fake future, the future's fake
Computer simulate
Fake future, the future's fake
Computer simulate
Fake future, the future's fake What good is my microphone if I don't really sing?
What good is my music if it ain't really me?
Whose heart's beating, I'm on life support
Creativity is gone, music is the spark Chuck your laptops
Chuck your lights
Chuck your cash crop
Chuck your tights
Chuck your glitter
You glittery shites
Chuck your laptops
Chuck your lights Fake future, the future's fake
Computer simulate
Fake future, the future's fake
Computer simulate

Fake future, the future's fake
Computer simulate
Fake future, the future's fake
Computer simulate
Fake future, the future's fake
Fake future, the future's fake
Computer simulate
Fake future, the future's fake
Computer simulate
Fake future, the future's fake
Computer simulate
Fake future, the future's fake
Computer simulate
Fake future, the future's fake
Computer simulate
Fake future, the future's fake
