Hide

FKA twigs

Space
The only thing I ever knewPlace
With the time I know I'll have to choose, noStay beneath the ground
Hide away from you
I sink into the crowd
If it meant that I'd escape your eyeHate
The only thing I give to you
NowFace me
If you think you can take another route
OutI let my sight be slayed
If it meant that I could form a viewI found another way
To caress my day
