

Until You Love Me (The Essence Instrumental Mix)

4 Strings

Stars shine brighter
When you look at me.
Day or night
You're coming over me.
I see right through you,
I know you feel it too.
Nothing to lose,
I need to, I have to. I won't get out of your way
Until you love me.
I don't mind I'll be okay,
Until you love me.
It's the way you make me feel
A desire that you reveal,
Leaves me breathless on my knees
Until you love me.
