Kind of...Sometimes...Maybe

Jessie Ware

[Verse 1]
Do I get lonely at all?
No, cause Jamie and Johnny and Jack keep me warm
This wasn't my fault
I don't cry, God no, I don't cry
Could you just leave it alone?
You keep haunting my nights
You keep asking me twice
If I miss you at all
And I won't lie, though I try[Chorus]
Oh kind of, sometimes, maybe
Kind of, sometimes, maybe
Oh kind of, sometimes, maybe
Kind of, sometimes
Kind of, sometimes, maybe[Verse 2]
I'm less afraid of the dark
No bright ideas, I keep the lights on
Are you wasting my time?
And your time, every time?
Why you're makin' it hard?
I won't show you my cards
But you came and you lost
Do I want you at all?
OK, just a bit, I hate to admit[Chorus]
Oh kind of, sometimes, maybe
Kind of, sometimes, maybe
Oh kind of, sometimes, maybe
Kind of, sometimes
Kind of, sometimes, maybeI just sit here and I'm thinkin'
If I still want you?!So why sayKind of, sometimes, maybe
Kind of, sometimes, maybe
Kind of, sometimes, maybe
Kind of, sometimes, maybe
Kind of, sometimes, maybe
