

# Gutterboy (iamiam)

## Argyle Park

Sorrow in my heart  
Fear flows through my vein  
My body dies from within  
Your burning scar will remain  
Branded deep in flesh  
Piercing right to the bone  
Your voice screams in my head  
Why don't you leave me alone I am I am  
Gutterboy Well it was hard to accept that you would leave me to die  
When I never received the love you said you supply  
And I still can believe you ever said that you cared  
While I lie broke and cold on the street of despair
