When We Were Young

Sugar Ray

When we were young, we all lived for fun we thought we were special.
There were no goodbyes, we believed all the lies, always under pressure.
Well there?s something on my mind, and it?s hard to say I tried to tell you, we?re running out of time, and I know, I know, I know.
If it makes you feel good and it makes it alright, then it?s bound to connect deep in everybody?s eyes.
All it takes is a song with a hook and a line, and it?s bound to blow up like the fourth of july.
When we were young, we laid in the sun, at night we were faded.
We never went home, but we were never alone.
Yeah we thought we had made it.
Well there?s something on my mind, and it?s hard to say I tried to tell you, to take this as a sign, cause I know, I know, I know.
If it makes you feel good and it makes it alright, then it?s bound to connect deep in everybody?s eyes.

All it takes is a song with a hook and a line, and it?s bound to blow up like the fourth of july.
Whatever, there?ll be laughter.
Remember, forever.
If it makes you feel good and it makes it alright, then it?s bound to connect deep in everybody?s eyes.
All it takes is a song with a hook and a line, and it?s bound to blow up like the fourth of july.
If it makes you feel good and it makes it alright, then it?s bound to connect deep in everybody?s eyes.
All it takes is a song with a hook and a line, and it?s bound to blow up like the fourth of july.
Ohh, when we were young.
Ohh, when we were young.
When we were young.
When we were young.
