

# Where or When

**Jane Monheit**

It seems we stood and talked like this before  
We looked at each other in the same way then  
But I can't remember where or whenThe clothes you're wearing are the clothes you wore  
The smile you are smiling, you were smiling then  
But I can't remember where or whenSome things that happen for the first time  
Seem to be happening againAnd so it seems that we have met before  
And laughed before and loved before  
But who knows where or when
