

# Big Enough

Joseph Habedank

I've got a heart that's full of faith filled helplessness  
There are mountains ahead that I can't move by myself  
But I know when I'm weak, he's strong  
When I can barely breathe there's still a song  
Even though it's hard right now, I'm not here on my own  
So when it seems it can't be done, I know God is big enough  
I can run the race I'm called to run, cause I know God is big enough  
He'll finish everything he starts  
He'll meet us right here where we are  
I can feel faith rising up, I know God is big enough... oh yeah he's big enough  
On the days that the shadows of doubt make me feel small, I declare that I don't stand in my strength at all, oh no,  
Cause I won't live a day you didn't plan,  
Every single moment is on your hands  
Even if the whole world shakes, your the rock on which I stand  
So when it seems it can't be done, I know God is big enough  
I can run the race I'm called to run, cause I know God is big enough  
He'll finish everything thing He starts  
He'll meet us right here where we are  
I can feel faith rising up  
I know God is big enough  
He's bigger then the fear that surrounds me  
Bigger then the chains that have bound me  
Bigger then the story my past can tell, oh  
Bigger then the weight of tomorrow.  
Bigger then the hurt and the sorrow  
Bigger then the lies I've told myself  
So when it seems it can't be done  
I know God is big enough  
I can run the race I'm called to run  
Cause I know God is big enough.  
He'll finish everything thing he starts  
He'll meet us right here where we are  
I can feel faith rising up  
So when it seems it can't be done  
I know God is big enough  
I can run the race I'm called to run  
Cause I know God is big enough.  
He'll finish everything thing he starts  
He'll meet us right here where we are  
I can feel faith rising up  
I know God is big enough  
I know God is big enough
