Changes (Duet With Ozzy Osbourne)

Kelly Osbourne

I feel unhappy
I am so sad
I lost the best friend
That I've ever hadShe is my baby
I love her so
But it's too late now
I've let her goWe're going through changes (Oh)
We're going through changes (Ah)We've shared the years
We've shared each day
I love you daddy
But I found my wayYou know the world
Is an evil place
My baby is grown now
She's found her wayOh,ah
We're going through changes (Oh)
We're going through changes (Oh)
(Ah)It took so long
To realize
I can still hear
His last goodbyesNow all my days
I'm filled in fears
Wish I could go back
And change the yearsWe're going through changes
We're going through changes (Changes)
We're going through, changesChanges
Changes
