

The Sphinx

Baby Charles

I wish I could be like the king
who said to his people: my friends
 this is now the end
 if we loose the battle
 we shall live forever.

The people of the sun will remember this day

 and give us immortality
 long after I've gone

Long after the sun.I want to be like this king

 but I can't stand the pain
 my friends

and I keep looking for all the faces I had
 before the world began.

I've only know desire and my poor soul will burn
 into eternal fire

 and I can't even cry -

a sphinx can never cry.I am standing in the sun

 I wish that I could be
 a silent sphinx eternally.

I don't want any past
only want things which cannot last
 and I can't even cry
through God knows how I try -
 a sphinx can never cry

and sphinxes never die.I'm famous or am I infamous ?

It doesen't matter much any more
phony words of love or painfully truth
 I've heard it all before

appraisal or critics and even politicsa conversation piecea woman or a priestit's all a point of view.

I am standing in the sun

...
