Sleep With a Stranger

Nikki Lane

Well,tonight'd be a good night to sleep with a stranger
Maybe a cowboy ,like a...ranger
Go out on the town ,down to lower Broad
With my tiny little dress and my white boots on
I ain't looking for love,just a little danger
Tonight 'd be a good night to sleep with a stranger

Well I've been a good girl long as I can stand it
Tonight I want a bad boy motorcycle bandit
I wanna rode a steel horse all night long
I got my favorite T-shirt and some cut-offs on
I want a man that's full of anger
Tonight'd be a good night to sleep with a stranger

And you can tell me anything you want to
Just don't call me after tonight
You can tell me just how you're feeling
Long as you're making me feel alright

Well ,tonight'd be a good night to get a little stoned
So ,come on baby,I don't wanna leave alone
We've been drinking all night down at 308
They're gonna throw us out if it gets too late
So let's beat them to the punch,ain't no need to linger
Tonight'd be a good night to sleep with a stranger

You can tell me anything you want to
Just don't call me after tonight
You can tell me just how you're feeling
Long as you're making me feel alright

Tonight'd be a good night to sleep with a stranger
Maybe a cowboy like a ... ranger
Right now it don't matter who
If you play your cards right then it might be you
'cause I ain't looking for love,just a little danger
Tonight'd be a good night
Oh,tonight'd be a good night
To sleep with a stranger
Stranger,stranger

Stranger, stranger
