

The Incredible Change of Our Alien

The Notwist

One day he woke up and he was ill
He tried to be like us
He tried to kill all our friends
We locked him in a cage but he was still
loud and so we left
We don't know him anymoreWe heard of him in 1985
He attacked three people with a knife
When he died we didn't shed a tear
This alien was ill.
We don't love him anymoreWas nice to watch him play
with the big toys
we never thought he could be so cruelYou never watched him play with the big toys
