

Rejuvenate

Omnium Gatherum

Flames three a flame
"Games" all sinners say
The freedom of choice
Is a freedom of noise
Choosing ain't the issue
And playing the game's not there to be won
Am I the one
Or for the oneNo god in sight
Says a man who looks for one
Are we alive or not
A-live or what
Would one believe
The beauty as obscene
How does it feel
Understanding
How do you feel to-day
How do you feel the way
We are alike
Are we aliveNo god in sight
Says a man who looks for one
Are we alive or not
A-live or whatExpressed feelings
To save the day
Reasonably still
Knowing in-side-out
For it matters not
Who is said to be to known
Or how one is now
For it matters not
Why things are shownNo god in sight
Says a man who looks for one
Are we alive or not
A-live or what
