

# Break a Bitch Down (Freestyle)

Ace Hood

It's on the light zone, break a bitch down, break a break a bitch down  
Break a bitch up, take a take a bitch down  
She was your girl but she my bitch now, say what?  
Stand up, spit ...talk nigger bit saying  
I break'em, break'em, say what? I break'em break'em, break'em  
I break'em, break'em, say what? I break'em break'em, break'em say what?  
I do, I break'em, break'em, I break'em break'em, break'em  
I break'em, break'em, I break'em break'em, break'em, oh yeahOk, yo all niggers know what's my piece to  
know  
Give me any cracks I'll murder cow  
Sipping while I'm dipping a convertible  
Hot like I never knew that was a cold  
I got a drop sat back and a seat real low  
See four bitch and I bet she blow, break her down, gotta let her choke  
Happening and I don't know ...  
Break a bitch down, break a break a bitch down,  
I'm running your city till I make it my town  
She fucking for the money bet I get a discount  
Gimme her her in, her sorry, she might cheat now, yeah  
I take 'em take 'em, yes your bitch I take her  
Trade her, ruin her make-up, I get head in the paper  
...jack with that maple, stereo plus in the inside  
Where the pals that I'm pay soul  
I stack money like Lego, Lego  
Break a bitch down, break a break a bitch down  
Break a bitch up, take a take a bitch down  
She was your girl but she my bitch now, say what?  
Stand up, spit ...talk nigger bit saying  
I do, I break'em, break'em, I break'em break'em, break'em

My watch is bigger than your chart bitch, told your girl that I steal for  
And I ain't lying, I ain't faking, I ain't buying nigger, I ain't hating  
I ain't ... your situation, I get mine nigger, I be breaking it down

My slip code keep bitches on the tip toes  
 Supreme selection I advise you to sip slow  
 Don't spit though, just get low, get money then get mo  
 Call me Rico Lover, call me when you need a hit, ho

 Hungry hungry hippo, that's that any tempo  
 What you asking in for? They ain't got that fire, said they do numbers like I do, it's a motherfucking lie

 I break'em, break'em, I break'em break'em, break'em,  
 Break a bitch down  
 I break'em, break'em, I break'em break'em, break'em For all the ladies love them, we fuck them, don't trust  
 them, don't cuff them  
 No rhymes here, we custom, we get that pistol custom  
 Say brown skin got a crush on them, old rib bones, I'm crushing them  
 He's super howl without a drug in him, ... fat ass nigger, see they bugging them  
 All the prettiest girls in the club with him  
 Got shot glasses popping bottles they hit the vip say what's up with them?  
 Wanna fuck with us, they had enough of him  
 These girls like Soviets, Russian them  
 Keep it real though, you can't fuck with them  
 I'm a hustler, like ..., I'm spinning dirty money like puffing them  
 New land pro that Murcielago, Tahoe follow everywhere I go  
 Wrist wheel, Chicago, so cold they block through their nose like ...  
 Click clack clock pop if you try though  
 My best friend is a clown in Gorado  
 Slide off with a motto, got a bitch say taking whose at the bottom Break a bitch down, break a break a bitch down  
 Break a bitch up, take a take a bitch down  
 She was your girl but she my bitch now, say what?  
 Stand up, spit ...talk nigger bit saying  
 I do, I break'em, break'em, I break'em break'em, break'em  
 I break'em, break'em, I break'em break'em, break'em,  
 Break a bitch down  
 I break'em, break'em, I break'em break'em, break'em  
 I break'em, break'em, I break'em break'em, break'em,  
 Break a bitch down  
 I break'em, break'em, I break'em break'em, break'em  
 Break a bitch down.
