Secret

Maroon 5

Watch the sunrise
Say your goodbyes
Off we go
Some conversation
No contemplation
Hit the road

Car overheats
Jump out of my seat
On the side of the highway, baby
Our road is long
Your hold is strong
Please don't ever let it go, oh no

I know I don't know you
But I want you so bad
Everyone has a secret
Oh, can they keep it
Oh, no they can't

Driving fast now
Don't think I know how to go slow
Where you at now
I feel around
There you are

Cool these engines
Calm these jets
I ask you, how hot can it get?
As you wipe off beads of sweat
Slowly, you say, I'm not there yet

I know I don't know you
But I want you so bad
Everyone has a secret
Oh, can they keep it
Oh, no they can't

I know I don't know you
But I want you so bad

Everyone has a secret
But can they keep it
Oh, no they can't
