

Lunchbox (live)

Marilyn Manson

Next motherfucker's gonna get my metal On we plow

The big bully try to stick his finger in my chest

Try to tell me tell me he's the best

But I don't really give a good goddamn cause

I got my lunchbox and I'm armed real well

I got my lunchbox and I'm armed real well

I got my lunchbox and I'm armed real well

I want to grow up

I want to be a big rock and roll star

I want to grow up

I want to be

So no one fucks with me, yeah

I got the pencils in my pocket, try to put me down

Want to go out, gotta get out to the playground

Want to throw down at the playground

I want to go out

Next motherfucker gonna get my metal

Next motherfucker gonna get my metal

Next motherfucker gonna get my metal

Next motherfucker
