

P.R.D. Chaos

earhtone9

lie to me, for a short while
lay with me, for a short while
i will wear my fears for you
i will wear my fears for you
lay me down there's nothing done
closed eyes bring change
too great, lost sometimes
closed eyes bring change
too great, lost sometimes
i will wear my fears for you
ask a question
not just any
what am i, about being lost
closed eyes bring change
too great, lost sometimes
i will wear my fears for you
lie to me, for a short while
lay with me, for a short while
i will wear my fears for you
i will wear my fears for you
last caress and nothing done
ask a question
not just any
what am i, about being lost
ask a question, question, question
***live version of 'p.r.d. chaos' has karl shouting
"raging fucking speedhorn!" at the end***
