Johnny's Garden

Crosby, Stills, Nash & Young

There's a place I can get to Where I'm safe From the city bluesAnd it's green And it's quiet Only trouble was I had to buy itAnd I'll do anything I got to do Cut my hair and shine my shoes And keep on singin' the blues If I can stay here in Johnny's gardenAs the swift bird Flies over the grasses Dipping now and then To take his breakfastThus I come and go And I travel But I can watch that bird And unravelAnd I'll do anything I got to do Cuttin' my hair and shine my shoes And keep on singin' the blues If I can stay here in Johnny's gardenWith his love And his carin' He puts his life Into beauty sharin'And his children Are his flowers And they give me peace In quiet hoursAnd I'll do anything I got to do Cuttin' my hair and shine my shoes
