Polygon Dust (feat. Lemaitre)

Porter Robinson

Taking back wasted,
time that we've spent.
Walking round wastin',
tracing back the steps.
Oh I can taste it,
the secrets I've kept.
Walking round wasted,
and I'll take what I can get.Taking back wasted,
time that we have spent walking round wastin',
tracing back the steps.
Oh I can taste it,
the secret I have kept.
Walking round wasted,(It's how I feel)
To late to turn
(It's how I deal with you)
To late to turn
(It's how I feel)Walking round wastin',
the secret I have kept.
Walking round wasted,
...take what i can get.ã€•=â—ˆï¸¿â—ˆ=ã€‘
