Footprints (feat. Cruickshank)

TiÃ«sto

Letâ€™s take a trip to the edge of the night,
Where the stars and the sun collide.
Donâ€™t wait a lifetime, itâ€™s out turn
To put our footprints all over the world.

We live forever wherever we go,
Leaving footprints all over the world.
In this together weâ€™ll never let go.
Weâ€™ll leave our footprints all over the world.

The world, the world, all over the world.
The world, the world, all over the world.
The world, the world, all over the world.
Letâ€™s leave our footprints all over the world.

Leave our footprints all over the worldâ€¦

Leave our footprints all over the worldâ€¦

All over the worldâ€¦

All over the worldâ€¦

Over the worldâ€¦

Weâ€™ll leave our footprints all over the worldâ€¦

We live forever wherever we go,
Leaving footprints all over the world.
In this together weâ€™ll never let go.
Weâ€™ll leave our footprints all over the world.

The world, the world, all over the world.
The world, the world, all over the world.
The world, the world, all over the world.
Letâ€™s leave our footprints all over the world.

Leave our footprints all over the worldâ€¦

Leave our footprints all over the worldâ€¦

All over the worldâ€¦

All over the worldâ€¦

All over the worldâ€¦

Weâ€™ll leave our footprints all over the worldâ€¦

Letâ€™s leave our footprints all over the worldâ€¦
