

Don't Let Anybody Love Ya

Early Grey

Verse 1

I see your picture every morning
I call your number every night
I still remember that perfect moment

Bridge 1

When we were one, I thought it must be heaven's gate
But now I feel that all hell's breakin' loose again

Chorus 1

So don't let anybody love ya
Don't let anybody be what's on your mind
Cause it's gonna be hard
You'll be fallin' apart
Tell me how does it feel
To pretend to be real?

Verse 2

The dreams remain dreams forever
I always felt it in my heart
And though there's nothing more to care for

Bridge 2

We keep on flyin' on the wings of yesterday
Oh is it real? This can't be me! Oh baby

Chorus 1

So don't let anybody love ya
Don't let anybody be what's on your mind
Cause it's gonna be hard
You'll be fallin' apart
Tell me how does it feel
To pretend to be real?

Chorus 2

Don't let anybody love ya
Don't let anybody be inside your heart
Cause it's gonna be hard
It will tear you apart
You got nowhere to hide

From this voice in your mind

Alt Bridge

It's really hard to keep believing
When every word is filled with lies
I said that hearts are made for bleeding
But still I try to hope
That maybe I was wrong..
..But I was not
Don't let anybody...

Chorus 1

Don't let anybody love ya
Don't let anybody be what's on your mind
Cause it's gonna be hard
You'll be fallin' apart
Tell me how does it feel
To pretend to be real?

Chorus 2

Don't let anybody love ya
Don't let anybody be inside your heart
Cause it's gonna be hard
It will tear you apart
You got nowhere to hide
From this voice in your mind
Don't let anybody love ya
Don't let anybody love ya
Don't let anyone love, love, love, love!

Don't let anybody love ya
Don't let anybody love ya
Don't let anyone love, love, love, love!
