Iron Man

Ozzy Osbourne

I am iron man
Has he lost his mind
Can he see or is he blind or
Can he walk at all or if he moves will he fall
Is he alive or dead has he thoughts with in his head
Well just pass him there why should we even care
He was turned to steel in the great magnetic field
When he traveled time for the future of mankind

Nobody wants him he just stares at the world
Planning his vengeance that he will soon unfold
Now the time is here for iron man to spread fear
Vengeance from the grave kills the people he once saved
Nobody wants him they just turn there heads
Nobody helps him now he has his revenge
Heavy boots of lead fills his victims full of dread
Running as fast as they can iron man lives AGAIN!
