## Amason

Gonna find my love to you
Never gonna give it up
That's fine my love, should
Touch ground my love, call you
Ever gonna give it up
Fly by my love, shouldWash it out, came call
Through and though towards the end
Except for you sit in my mouth
Wash it out, set sail
Here comes the whale
Black sky my love are you
Spin it out and pull it down
Crush tie my love, should
Tracks down my love, blue
Calm this I've been spinning off
March mind my love, shouldSummer blife, flat tire
Spill it out and watch the one aside
Don't try my love, trust only love
That it falls with a second heart
Darts fly to the ocean side
Enemies can watch the water rise, rise
And eyes facing down
Can't stop, collided
Gonna find my love to you
Never gonna give it up
That's fine my love, should
Touch ground my love, call you
Ever gonna give it up
Fly by my love, should
