## Amason

Gonna find my love to you  
Never gonna give it up  
That's fine my love, should  
Touch ground my love, call you  
Ever gonna give it up  
Fly by my love, should Wash it out, came call  
Through and though towards the end  
Except for you sit in my mouth  
Wash it out, set sail  
Here comes the whale  
Black sky my love are you  
Spin it out and pull it down  
Crush tie my love, should  
Tracks down my love, blue  
Calm this I've been spinning off  
March mind my love, should Summer blife, flat tire  
Spill it out and watch the one aside  
Don't try my love, trust only love  
That it falls with a second heart  
Darts fly to the ocean side  
Enemies can watch the water rise, rise  
And eyes facing down  
Can't stop, collided  
Gonna find my love to you  
Never gonna give it up  
That's fine my love, should  
Touch ground my love, call you  
Ever gonna give it up  
Fly by my love, should
