

# Stuntin' (Screwed)

## Big Tuck

You niggas cant do what we do/  
You niggas cant ball like we ball/  
You niggas cant crawl like we crawl our rims stay taller than yall/  
We ride wit screens hatas we shinin on yall/  
We cant even shop in tha mall/  
We get attacked in tha mall/  
You niggas cant do what we do/  
You niggas cant ball like we ball/  
You niggas cant crawl like we crawl our rims stay taller than yall/  
We ride wit screens hatas we shinin on yall/  
We cant even shop in tha mall/  
We get attacked in tha mall/Im in this game like fuck tha fame/  
I had to put on my chain/  
'cause im so hot it will hurt ur flame/  
you niggas cant do like we do/  
you niggas cant ball like we ball/
