

# I'm A Dreamer

[Sandy Denny](#)

You make me nervous when I see you  
I can't imagine what it's like to be you  
It's a mystery to me everyday  
And I've got to get away I put a bet on with a bookie  
For the race they put on over in Kentucky  
It's lovely at this time of year, so they say  
And I've got to get away But I'm a dreamer and you know  
I'm a schemer with an eye for a show  
It's my imagination when I get low  
And the truth is I don't think I'll ever go When the music's playing, that's when it changes  
And no longer do we seem like total strangers  
It's all those words which always get in the way  
Of what you want to say When I wake up in the morning  
I think it only fair to give you warning  
I probably won't go away  
I'll more than likely stay 'Coz I'm a dreamer and you know  
I'm a schemer with an eye for a show  
It's my imagination when I get low  
And the truth is I don't think I'll ever go 'Coz I'm a dreamer and you know  
I'm a schemer with an eye for a show  
It's my imagination when I get low  
And the truth is I don't think I'll ever go
